9997, 9998, 9999...

They're counting capsules instead of sheep at the Cotswold House (www.cotswoldhouse.com), a hidden gem in Chipping Campden, County Gloucestershire. Last year, the stylish townhouse hotel inn became the first in the UK to introduce the new Ammique Bed in one of its guest rooms. Instead of a mattress, the Ammique is a modern slumber wonder that has a bed of 10,000 capsules which conform to the body to assure a blissful night's sleep. Pleasant dreams...
