

NEW YORKERS FAST FORWARD TO SLEEP IN GUESTROOM2010

11TH TO 13TH NOVEMBER 2007

Selected after a worldwide search in 2006 by Hospitality Financial & Technology Professionals; the Ammique Bed will feature again this year as The Bed of the Future in GUESTROOM2010 at the International Hotel, Motel & Restaurant Show in New York from 11th to 13th November 2007 at the Jacob Javits Centre.

But there's no need to wait until 2010 to get a great night's sleep. The unique body support and sleep system trademarked Ammique® is available now in the UK.

To learn more about the revolutionary Ammique sleepscape™ technology, download the 2007 Ammique sleepscape™ brochure and take a look at a selection of exclusive Ammique Beds, Collections, bedding and designer accessories the Ammique website is www.ammique.com.
